

### 3. COMMITMENT FORM

Due to the lack of volunteers and help to coordinate this event as well as higher expectation of regulations and better referees, the Church Sports Committee decided to ask the team members to devote their time out to help out with the event. Each team must delegate at least 2 players to make a commitment to help with these duties during the days of your game play:

1. Ref-ing the games
2. Working the scoreboard and time.
3. Keeping stats.

All games will consist of (at least) 3-4 referees, 1 scorekeeper, 1 time tracker, and 1 stats keeper. With this commitment, we are helping each other making this league into a better, safer and less bias environment. The whole team will be penalized if failed to provide the commitment. Penalty will be addressed and be in effect the following game.
